Looking Ahead . . . .

Our aspirations are as trees—tall and stately—whose topmost branches are frail like our visions—as they grow and mature, reaching ever upward, they will attain a clearer perspective—

Our hopes are as a spire, outlined against the hazy sky o f life, pointing the way—

Today we build...Tomorrow we realize

MISS MABEL M. SOWLE, A. B.

MRS. BETTY FOWLER, A. B.

We, the Senior Class of 1946, dedicate this Ithacansian to Mrs. Betty Fowler and Miss Mabel M. Sowle. Both will long be remembered for their guidance and friendliness during our High School days.

Miss Sowle, the advisor for this Ithacansian, has guided the Staff in their efforts to compile an acceptable book.

We, the Seniors, have found her counsel wise and helpful in dealing with our problems and we sincerely appreciate her cooperation in the many activities of our High School life.

We value her efficiency which has been an ever present aid, and her high ideals that can be taken as a helpful pattern in our future life.

Mrs. Fowler has given freely of her outstanding abilities and talents for leadership as our class advisor and play director during our Junior and Senior years, as the director of our annual Variety Show, and in the revival of a successful Fortnight Growler.

She has had a sincere interest in the Student Council and has worked faithfully to keep it at a high peak of achievement.

Earl S. Drehmer

EARL S. DREHMER, A. B., M. A.
Superintendent

Mr. Drehmer, the administrator in the Ithaca Public Schools, has a deep interest in the High School.

He was instrumental in securing more Federal and State Aid, which made it possible to procure additional equipment for instruction in the Agriculture, Shop, and Home Economics Departments.

Through his efforts, the school now has a moving picture projector. He has secured educational and entertaining films which were enjoyed by the student body.

He has contributed an instructive and inspiring message to each issue of the school paper.

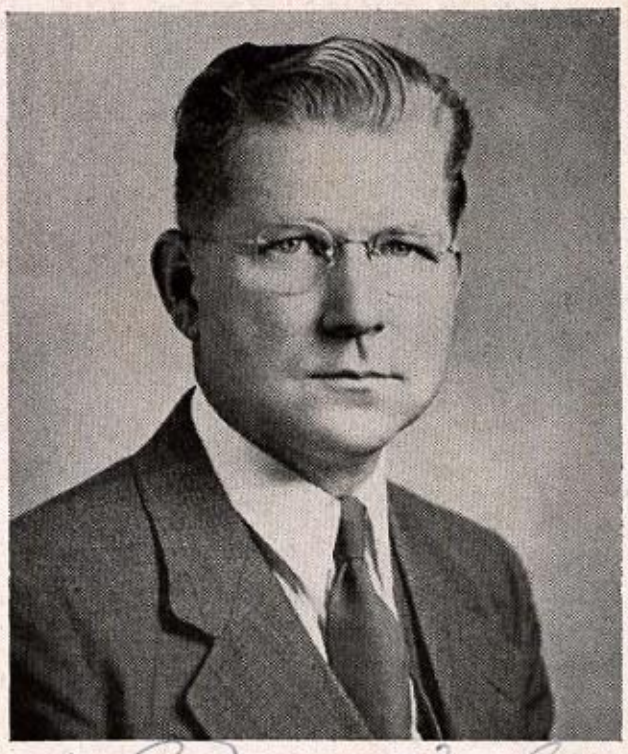
Individual students have found Mr. Drehmer interested and willing to help them with their problems. His courtesy and kindnesses have won the respect of all the students.

His words of advice and helpfulness will be missed in the future. All sincerely wish him success in the years to come.

Administration . . . .

MR. L. M. WILSON, B. S.
Principal

In serving his first year as Principal of the High School, Mr. Wilson has won the confidence and esteem of the entire student body. He has the unusual quality of being stern yet pleasant in dealing with the students and their problems. His interest in the welfare of the individual student as well as the group has won for him the respect and favor of all.



L. M. Wilson

BOARD OF EDUCATION

The Board of Education of the Ithaca Public Schools is to be highly commended for sanctioning very useful and progressive advancements in our school system this year. Their thoughtfulness and consideration has made the year one of greater pleasure and profit to all students, for which they express their deepest appreciation. All improvements to the buildings, instructional equipment, and enlarged supervised activities, have helped to make this a memorable year.

TIPS FOR MODEL FARMERS

Agriculture . . . .

Agriculture is one of the most practical departments in the High School Curriculum. It gives the students knowledge of proven methods of farming and their application. Class room work is supplemented with field trips; judging, purchasing and selling livestock; and membership in the Future Farmers of America. Each student has an individual project which he carries on outside of school. Many agriculture students take farm shop. All these activities contribute to the vocation training of those who wish to make farming their life work.

Operetta . . . .

The story of the Operetta centers around the school life in a small southern College. A wealth of fine music, capable directing, and an appealing plot were combined to make a success of this year's presentation, "Ask The Professor".

Dodge Memorial Award . . . .

The Dodge Memorial Award was created by S. Earle Trudgen. It is in memory of the late Mrs. May Hewes Dodge, who contributed much to the musical life of Ithaca. The award is to stimulate interest in fine music and to encourage the students of Ithaca High School to strive for the highest attainments in the field of music.

The award is given each year to the outstanding music student in the Senior Class. The qualifications taken into consideration in selecting the winner are: musical ability, personality and leadership, cooperation and attitude, and scholarship.

The winners of the Dodge Memorial Award are: Clara Potter—1941, Virginia Alverson—1942, Norma Gay—1943, Kathleen Haley—1944, Ann Ensign—1945.

Robert Andrews (President), Evelyn Clawson (Secretary and Treasurer), Eileen Probst (Vice President), Jon Wilson, Beverly Cassady, Larry Trexler, Margery Rose.

Student Council . . . .

The Student Council President and members are elected each spring. The President is elected from the qualified candidates of the Junior Class, by the student body. The members are elected by each class, with four from the Junior class, three from the Sophomore class, and two from the Freshmen class. The following fall the incoming Freshmen elect one member. The Principal and Dean of Girls are the Advisors (but they have no vote), however the Principal has the power of veto. From the completed Council, committee chairmen are appointed. They in turn select committee members from the student body.

The Council meets every week and serves the student body, guiding and directing all activities in conjunction with the administration.

This year the Student Council under the leadership of Robert Andrews has undertaken many projects. With money earned by the 1944 Council, a public address system for the gymnasium was purchased and installed. During January a Clothing Drive was sponsored and a prize was given to the fourth grade for the largest contribution. Beginning in February, a weekly dance during the noon hour was conducted and the first full length movie was presented, with monthly movies following.

The Council managed all the advertising for the Athletic Department. After each home game light refreshments were served to the home and visiting teams. Small football charms were purchased for each member of the championship team. Most of the proceeds from the third Variety Show, presented in May, were turned over to the Athletic Department.

Funds for the Council Treasury were raised by selling school pencils, pins and guards, booster pins, and sponsoring dances and movies.

The sincere interest and boundless energy of Mrs. Fowler has contributed to the success of the Council in all its activities.

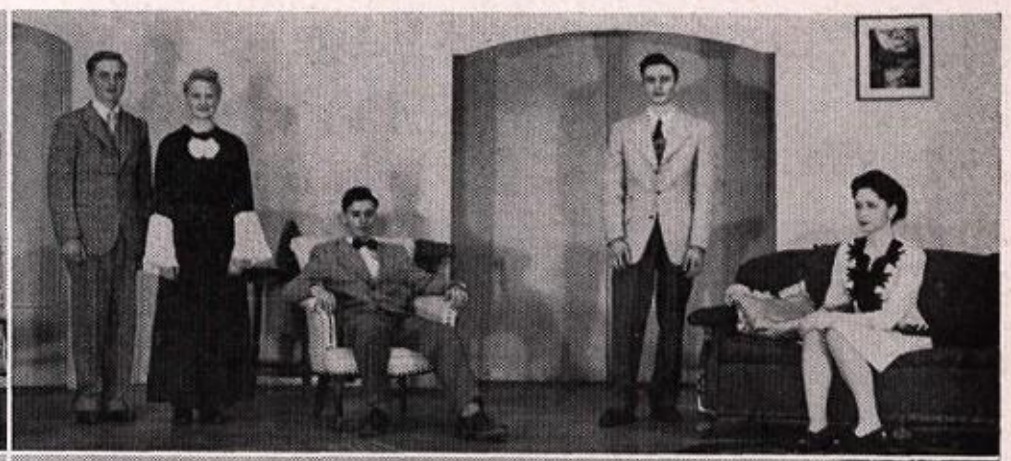
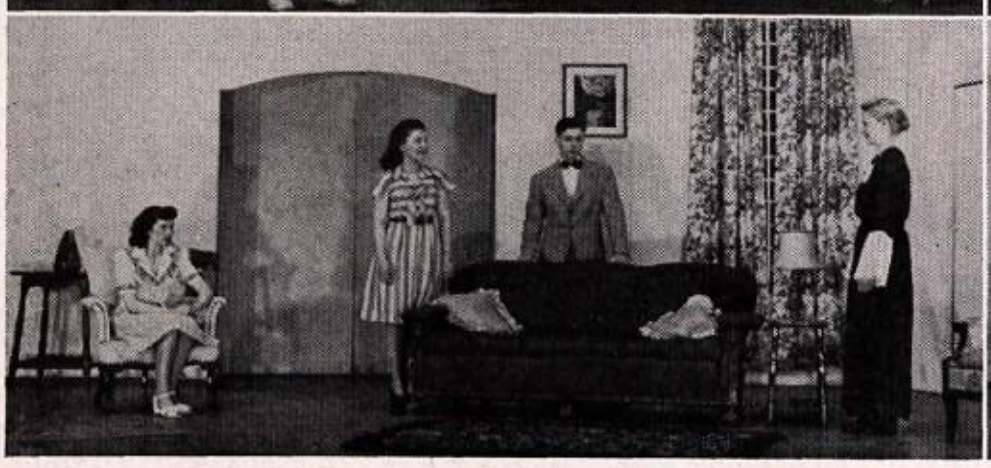
Annual Staff . . . .

In this issue of the Ithacansian, an attempt has been made to present our school and its activities as representative of the youth in America today—the youth who must prepare to meet the chaos, the trials, and hardships of life—to establish a peaceful world; that a war more terrible than World War II, may be averted—and to realize and attain ideals, which are only visionary hopes of today. May this book be a true interpretation of the memories and achievements of 1945-6.

"That's jus' what ah was fixin' ta do."



"I beg your pardon, Mrs. Livingstone. Am I interrupting you?"



"Aunt Polly has some fresh custard just made an - -"

"Really Durwood, I'm astonished that you should champion a girl whom you know so little about."

Senior Play . . . .

The Senior Play, "Lena Rivers", was presented with the following cast: Pat Irish, Bob Andrews, Margaret Mellinger, John Gabrion, Margaret Kleinhans, June Laird, Nola Dawson, Jerry Alverson, Madelyn Olson, Lawrence Street, Bill Budge, Eileen Probst, and Charles Federspiel.

The play was directed by Mrs. Fowler. She was assisted by a committee consisting of Eunice Burch, Miles Zimmerman, Rhoda Chalker, and Beverly Cassady. The play proved to be very successful.

MRS. FOWLER,
Advisor

Our school newspaper, "The Fortnight Growler", has been published this year under the supervision of the Journalism Class, advised by Mrs. Fowler. This is the first time in recent years that the publication of the school paper has not been an extra curricular activity. With Eileen Probst as editor the Journalism Class has published the "Growler" regularly and successfully every two weeks during the school year. The staff has sent the "Growler" to many former students who are in the Armed Forces. Copies of the paper have been exchanged regularly for the publications of other schools. Publishing the paper has given the staff valuable and practical experience in the study of Journalism.

COACH BECKER

Coach Becker is to be highly commended for his enthusiastic and persistent work in the Athletic Department. Through hard work he has produced many winning teams.

The results of his untiring efforts with the grade children in the different sports for three years are beginning to be felt in High School Athletics.

Coach Becker has become an integral part of the school system and has won a place in the hearts of the student body.

Transportation . . . .

Bus transportation to the Ithaca Public Schools affords an opportunity for many of the rural eighth grade graduates to obtain a higher education. The increased high school attendance provides the school system with a larger state aid fund, which in turn, profits the local community and permits a greater number of faculty members; thus giving a more diversified curriculum to all students. The mileage restrictions having been reduced, the School Board made possible the transportation of athletic teams and groups. Therefore the Buses have served a triple purpose.

Fashion sunflowers . . . long stemmed American Beauties you'll see in profusion where'er the sun shines. America's own talented designers turn out these active and spectator sports fashions better than anyone else in the world. This year, unhampered by wartime restrictions, their imagination has run riot . . . but all have two things in common: clean cut, casual lines and maximum exposure for a nation of sun worshippers . . . whether they play the game or decorate the sidelines.
